Gentlemen -

Unfortunately the weather did not cooperate with us during KGA Senior Series #3 at Rolling Hills Country Club on Monday, May 9th. As we have done in the past when events get cancelled part-way through the round, we have a procedure for determining the amount of entry fee credit each player is due based on where each player was at (number of holes completed) on the golf course when played was halted due to the weather.

- Each player is due a \$13 credit for the gift certificate portion of your entry fee since we did not finish the event and award gift certificates.

- Players that completed their 18-hole round receive no additional entry fee credit. They will receive the \$13 gift certificate entry fee credit only.

- Players that had not yet completed 12 holes of golf receive an additional \$30 in entry fee credit for a total of \$43.

- Players that had completed at least 12 holes, but not yet completed the full 18 holes receive an additional \$15 entry fee credit for a total of \$28.

To use the entry fee credit for a future KGA event, please call the KGA office at (785) 842-4833 and we will enter you into the selected event and get payment for the remainder of any entry fee due after applying your credit. You will NOT be able to do this online. Thank you!
