1201 Wakarusa Drive, Suite B5, Lawrence, KS 66049

APPLICATION FOR INDIVIDUAL MEMBERSHIP

The KGA Board of Directors has created a new classification of membership for individuals. If you are a bona fide resident of the State of Kansas AND have a current or active GHIN number, you are eligible to join the KGA as an individual member. This KGA membership is suited for those golfers who live in Kansas but have their golfing affiliation with a club or course located in a bordering State or at a Kansas club that is not a member of the Kansas Golf Association. In the past, these golfers were required to join a Kansas club or course in order to get KGA membership.

The cost of this membership is \$50.00 per year, payable to the Kansas Golf Association along with a completed application for individual membership. Upon approval and acceptance, you are eligible to participate in any KGA-sponsored championship for which you are otherwise eligible.

Please direct questions or inquiries to the KGA at (785) 842-4833.

Please accept my application for KGA Individual Membership and my payment of \$50.00 for membership dues is attached (must be completed in full).
