

2019 Changes to Kansas Cup Program

The following changes have been made to the Kansas Cup program for this season in an effort to respond to the areas of the program that were creating difficulties with match scheduling and filling rosters for matches. We are also providing a new benefit of participation for teams.

Team Hats

All participating teams will be provided 24 Kansas Cup logo'd hats with the club name embroidered on them. The hats have been ordered and will be distributed when they arrive to the KGA office.

Three Teams per Division

The number of teams in each division is reduced from four to three teams in 2019. This change was made to ease the scheduling issues with clubs trying to get the regular season divisional matches completed by the early August play-by date. Many clubs (public and private) indicated it was getting more difficult to find available dates on the club calendar.

Composition of Matches Changed / Roster Size Reduced

The composition of matches has been modified in an effort to reduce the number of players needed to fill a match roster. Many clubs (public and private) indicated that trying to put together a roster of 16 players to fill a roster sheet was increasingly difficult. We have reduced that number to 12 players for 2019 and reconfigured the format of matches as follows:

- Open/Senior Modified Chapman Alternate Shot Match
 - played at scratch; one player of any age, one player age 50 & older
- Professional/ Amateur Four-Ball Match
 - played at scratch and with any combination of professionals and amateurs representing the side... i.e. Professional/Professional, Pro/ Amateur, Amateur/ Amateur
- Open Handicap Four-Ball Match
 - 24 handicap strokes team max, 18 handicap strokes player max - any age players
- Senior Handicap Four-Ball Match
 - 24 handicap strokes team max, 18 handicap strokes player max - both players age 50 & older
- Open/Senior Mixed Four-Ball Match
 - played at scratch; one player of any age, one player age 50 & older
- Open Singles Match
 - played at scratch and any age player
- Senior Singles Match
 - played at scratch and player age 50 & older
