As a KGA member club in good standing we invite you to participate in the KGA Member Club Tournament Calendar program. The calendar will be posted on the KGA website, under "Club Services", where golfers from all across the state can go to view tournaments at your club that are **open to the public**. These events may be your Saturday scramble or your Sunday two-man or even a charity event. In order for this to work effectively we encourage participation from each member club.
